INNOVATIVE HVAC SOLUTIONS

McQuay Air Conditioning

- Chillers – Scroll, Screw, and Centrifugal
- Condensing Units
- Air Handling Units
- Rooftop Htg. & A/C Units
- Water Source Heat Pumps
- Vertical Self-Contained A/C Units
- Fan Coil Units
- Incremental Thru-The Wall Units
- Coils
- AAF – Unit Ventilators

Change'Air

- Vertical Packaged Unit Ventilators: Hydronic, Gas, or Electric Heat
- Energy Recovery Unit Ventilators
- WSHP Unit Ventilators

ClimaCool

- Modular Chiller Systems
- Water-to-Water Heat Pumps
- Chiller Heaters

Daikin

- Ductless Split Systems
- Variable Refrigerant Volume Systems

Innovent

- Air-to-Air Energy Recovery
- Custom Air Handling Units
- Make-up Air Systems
- Natatorium Environmental Control Systems

Seasons • 4

- Direct Replacement HVAC Systems (Multi and Single Zone)
- Custom HVAC Systems

Semco

- Energy Recovery Systems
- Desiccant Wheel Units
- Outside Air Pre-Conditioner Modules
- Chilled Beams

Valent

- Packaged Rooftop Units
- Compact Footprint
- High Outside Air Applications
- Energy Recovery Options

Absolut-Aire

- Direct / Indirect Fired
- Heating & Ventilating Systems
- Make-up Air Units
- Air Rotation Systems

AeroTech

- Hydronic Radiant Ceiling Panels: Architectural & Lay-in Ceiling Type

Air Flow Equipment

- Custom Air Handling Units

Brasch

- Electric Duct Heaters
- Electric Cabinet Unit Heaters
- Commercial Gas Detectors

Climate Craft

- Custom Air Handling Units
- Featuring Fan Array Systems (Fan Matrix)

CosaTron

- Smoke Removal Filtration

Enviro-Tec

- VAV Terminals
- Fan / Blower Coils
- Air Handling Units

FAFCO

- Ice Storage Systems

Hays

- Auto Flow Control Valves
- Piping Packages for Fan Coils, Unit Ventilators
- Custom Hose Kits

Ingenia

- Custom Air Handling Units

International Environmental

- Fan Coils
- Blower Coils

Lennox

- Commercial Rooftop Units
- Furnaces & Condensing Units

Neptronic

- Humidification Systems
- Electric Heating Coils

Reznor

- Gas Heating Equipment
- Makeup Air Units

Rittling

- Standard and Custom Fan Coils
- Hydronic Finned Tube Radiation
- Convector and Unit Heaters
- Standard & Custom Enclosures
- Radiant Wall and Ceiling Panels

Seresco

- Commercial and Residential Natatorium Dehumidification Systems

Skymark

- Self-Contained A/C Units
- Fedders & Mueller Replacement Units
- Vertical/Stacked Water Source Heat Pumps

Spinnaker

- Architectural Equipment Screens
- Energy Recovery Ventilators

Steril-Aire/VIGILAIR

- UVC Emitters
- HVAC protection with Enhanced Ultraviolet Germicidal Irradiation

StrionAir

- Germicidal, High Performance, Low Pressure Air Purification Systems

Tempeff

- Dual-Core Energy Recovery Ventilation Equipment

United Cool Air

- 100% Dedicated Outside Air Systems
- Ductless Ceiling and Wall-Mounted Systems
- Customized Packaged DX Units
- Indoor Air-Cooled Chillers

VRTX

- Non Chemical Water Treatment Systems for Cooling Towers

Yaskawa

- Variable Speed Drives
