

THERMALNETICS
Innovative HVAC Solutions

Providing innovative HVAC solutions, parts and service across the state of Michigan through exclusive representation of over 25 original equipment manufacturers

Daikin

- Variable Refrigerant Volume (VRV) Systems
- Ductless Split Systems
- Chillers – Scroll, Screw & Centrifugal
- Chillers - Magnetic Bearing
- Condensing Units
- Semi-Custom HVAC Systems:
 - Indoor or Outdoor Rooftop
 - Variable Speed Compressors
 - Dedicated Outdoor Air Systems
 - Make-up Air Units
 - Energy Recovery
 - Water Heat Pump or DX Condensing Unit
 - Packaged Controls
- Air Handling Units
- Water Source Heat Pumps
- Vertical Self-Contained A/C Units
- Fan Coil Units
- Coils
- AAF – Unit Ventilators & Filters

Absolut-Aire

- Direct / Indirect Gas-Fired Heating & Ventilating Systems
- Make-up Air Units
- Air Rotation Systems
- Made in Michigan

Air Flow Equipment

- Custom Air Handling Units
- Made in Michigan

ClimaCool

- Air & Water Cooled Modular Chiller Systems
- Water-to-Water Heat Pumps
- Heat Recovery Chillers

Innovent

- Energy Recovery
- Custom Air Handling Units
- Make-up Air Units
- Ice Rink Dehumidification
- Natatorium Environmental Control Systems
- Data Center Systems

Seasons • 4

- Direct Replacement HVAC Systems (Multi & Single Zone)
- Custom HVAC Systems

TMI Climate Solutions

- Custom Air Handling Units
- Fan Array™
- Pre-Fabricated Mechanical Penthouse
- Made in Michigan

Zehnder Rittling

- Standard and Custom Fan Coils
- Hydronic Fin Tube Radiation
- Convectors and Unit Heaters
- Radiant Wall & Ceiling Panels

AERMEC

- Low Noise Fan Coils
- Inverter Fan Coils
- Air-to-Water Free Cooling Chillers & Heat Pumps
- Computer Room Air Conditioners

Brasch

- Electric Duct Heaters
- Electric Cabinet Unit Heaters
- Commercial Gas Detectors

Broad

- Direct, Indirect-Fired, Steam & Hot Water Absorption Units
- 60 to 3,000 Tons

Changeair

- Vertical Packaged Unit Ventilators: Hydronic, Gas, or Electric Heat
- Energy Recovery Unit Ventilators
- WSHP Unit Ventilators

ClimateCraft

- Custom Air Handling Units
- FanMatrix™

ConsERV

- Fixed Plate Energy Recovery
- Energy Recovery Units

Dadanco

- Chilled Beams

dpoint Technologies

- Sensible/Latent Energy Recovery Cores

FAFCO

- Ice Storage Systems

Hays

- Automatic Balancing Valves
- Piping Packages for Fan Coils, Unit Ventilators & Heat Pumps
- Custom Hose Kits
- Pressure Independent Control Valves

Heat Pipe Technology

- Energy Recovery & Dehumidification Heat Pipe Systems

Lennox

- Commercial Rooftop Units
- Furnaces & Condensing Units

Motivair

- Process Air & Water Cooled Chillers
- Free-Cooling Chillers
- High Density Rack Cooling
- Closed Loop Cooling Systems

Neptronic

- Gas & Electric Humidifier Generators
- Electric Duct Heaters
- Humidifier Manifolds

Reznor

- Gas Heating Equipment
- Make-up Air Units

SecureAire

- Enhanced Filter Systems

Semco

- Energy Recovery Systems
- Desiccant Wheel Units
- Outside Air Pre-Conditioner
- Chilled Beams

Seresco

- Commercial and Residential Natatorium Dehumidification Systems

Steril-Aire

- UVC Replacement Emitters
- Ultraviolet Germicidal Irradiation (UVGI) for Air Handling Unit Systems

Systemair

- Energy Recovery Units
- ECM Solutions

Tempeff

- Dual-Core Energy Recovery Ventilation Equipment

Valent

- Packaged Rooftop Units for High Outside Air Application
- Compact Footprint Energy Recovery Units

Yaskawa

- Variable Frequency Drives
